

Parent Letter from 12.06.24

Dear Parents,

Please note the following current information and dates:

1. **Classes According to Short Schedule Until End of School Year**

From this week until the end of the school year, we will be teaching according to a short schedule.

2. **Extension of Eid al-Adha Holidays**

The Eid al-Adha holidays will be extended. This means that there will be no classes from Friday, 14.06.24, to Thursday, 20.06.24.

Classes will resume on Saturday, 22.06.24, starting with the project week. Please ensure that your daughters attend school.

3. **Extracurricular Activities**

All extracurricular activities are taking place for the last time this week.

4. **Internship for 10th Grade Students**

The 10th grade students started their internship this week. The internship period is from 10.06. to 27.06.2024.

On the last day of school, report cards will be handed out, meaning that students are required to attend school on Saturday, 29.06.24.

5. **Study Trip for 11th Grade Students**

Classes 11a and 11b will be traveling to Berlin from 20.06.24 to 27.06.24. On the last day of school, report cards will be handed out, so students must attend school on Saturday, 29.06.24.

6. **Flea Market**

On Saturday, 22.06.24, a flea market will be held in the schoolyard from 11:20 AM to 1:20 PM.

From the second break onwards, students can buy and sell goods. They can sell anything except clothing, electronic devices, and food (including drinks). Prices should be set in advance with their parents. All parents are welcome to participate in the flea market (they can support their daughters in selling/buying). Bargaining is not allowed at the flea market. The school will provide tables. Students are also asked to bring blankets in case there are not enough tables. Primary school children will not actively participate in the sale but can visit the flea market with their teachers and, if applicable, parents and buy things. You will receive information regarding primary students shortly.

7. **Project Week**

From Saturday, 22.06.24, to Wednesday, 26.06.24, project days will be held for grades 5 to 9. Grade 1-4 will have theme days starting from Monday the 24th of June 2024.

8. **School Festival on Thursday, 27.06.24**

As part of the 120th anniversary celebration, we would like to end the school year with a school festival. Project groups will present their results, the choir will sing, and there will be some surprises for the students.

All parents who have time are warmly invited to join the school festival from the 3rd lesson onwards.

9. Choir Trip with Mr. Waldhoff

Since Tuesday, 11.06.24, the DSB Chamber Choir has been on a concert tour in Stuttgart/Nürtingen and is a guest at the Hölderlin-Gymnasium. There, the students will perform three concerts together with the music AGs and the youth choir of St. John Dettingen.

10. Dates for June 2024

Juni 2024
